For many years, University staff have reported to the Board of Trustees on the participation and success of underrepresented groups at the University of Illinois -- Black, Hispanic, and American Indian students and staff as well as female students and staff. That report was expanded to include data on the other racial/ethnic groups, to show data on students with disabilities, and to extend the time period displayed in the report. This report, a “Profile of Students, Faculty, and Staff by Racial/Ethnic Group, Gender, and Disability,” provides a comprehensive compilation of student enrollment and graduation, faculty participation of underrepresented students and staff.

This report was formerly titled:
Underrepresented Groups at the University of Illinois
Participation and Success

In this report, “minorities” refers to underrepresented minorities, which includes Black, Hispanic, and Native American persons.

This report is available on the internet at <http://www.pb.uillinois.edu/dr/index.cfm> and through the University Office for Planning and Budgeting, 506 S. Wright, Urbana, Illinois 61801; phone: 217-333-8313.

Note: Census: "disabled" defined as "have difficulty with..."; more comprehensive than used in universities. Disabilities Statistics Center: defined as "cannot do" but includes mental retardation and dementia, persons not likely found in baccalaureate programs. NCES, Digest of Educational Statistics: all types and levels of institutions. Big Ten Institutions: range of percents.

* Includes professional students.

** "Percent of Total" is misleading but widely used. Some disabled students do not need to seek accommodation, thus do not identify as disabled, as accommodation is built into campus life. "Disabled" does not include all the enrolled students who have disabilities.
