UNIVERSITY OF ILLINOIS

1968-69 BUDGET

Prepared for Presentation to the Board of Trustees,

June 19, 1968

For the general operation of the University of Illinois for the biennium 1967-69, the 75th General Assembly of the State of Illinois appropriated \$251,437,658 from general tax revenues and \$16,375,000 from the University's own income, for a total of \$267,812,658. Of this total, \$127,365,864 was allocated to 1967-68. The remaining \$140,446,794 was held for 1968-69 and is shown as General Income in Schedules A and D.

In addition, the General Assembly appropriated \$1,370,000 (or \$685,000 a year) from the Agricultural Premium Fund for county extension work in Agriculture and Home Economics. There are certain other funds for operations that are handled through the University Treasurer and included in this annual budget. Such funds, all earmarked for special purposes, include gifts, contracts, endowment income, appropriations from the Federal Government, and income from auxiliary activities (housing, Union buildings, bookstores) and other self-supporting operations. The estimated total of such restricted funds for 1968-69 is \$94,660,619.

Not included in this operating budget are funds appropriated by the General Assembly for new buildings, other capital improvements and rentals to the Illinois Building Authority.

Summary of Budget Recommended

The proposed operating budget for 1968-69 totals \$235,107,413, of which \$132,816,794, or 56.5 per cent, comes from State tax appropriations.

Income from all sources for 1968-69 is estimated at \$235,107,413. Appropriations recommended total \$234,885,532, leaving an unappropriated reserve of \$221,881. The corresponding total budget for 1967-68 was \$217,886,515 (see Schedule A). A summary of increases from general funds by colleges is shown in Schedule B, and further breakdowns are given in succeeding schedules.

Summary of Increases

The increase in the budget from general funds is \$13,080,930, which is distributed as follows:

Salary and Wage Rate Increases	
For academic staff	\$ 4,156,563
For nonacademic staff, including wages for	
hourly rate personnel	2,321,391
Total Salary & Wage Rate Increases	(6,477,954)
Additional Staff	
Academic	2,666,663
Nonacademic	1,227,989
Wages (hourly personnel)	762,983
Total Additional Staff	(4,657,635)
Expense and Equipment	1,752,638
Increase in reserve for later assignment	192,703
Total Increase	\$13,080,930

In addition to the increase in general funds, it is estimated that the budget from restricted funds will be increased by \$4,139,968. These increases are based on estimates of additional income from outside sources: grants and research contracts, auxiliary activities, and other self-supporting operations.

Thus, the total increase over the 1967-68 budget, for both general and restricted funds, is \$17,220,898, an increase of 7.9% over the previous year.

By campus, the increases are as follows:

	General Funds Amount	Per Cent Increase	All Funds Amount	Per Cent Increase
Chicago Circle	\$ 4,830,715	22.0%	\$ 5,241,895	18.8%
Medical Center	1,518,272	5.8	2,754,896	6.8
Urbana-Champaign	6,172,889	8.2	8,392,753	5.8
General University	366,351	9.9	638,651	11.4
Reserve	192,703		192,703	
Total	\$13,080,930	10.3%	\$17,220,898	7.9%

Salary Increases

The sum of \$6,477,954 is included in the budget for salary and wagerate increases for academic and nonacademic positions paid from general funds. Subject to the availability of funds, comparable adjustments have been made for positions funded from non-State sources. Salary increases have been widely distributed, but in accordance with established policy, they have been made on the basis of merit.

Adjustments have been made in minimum academic salary levels as follows (present minima are in parentheses):

	9-mo. Service		11-mo.	Service
Professor	(\$12,000)	\$12,700	(\$14,650)	\$15,500
Associate Professor	(9,500)	10,000	(11,600)	12,200
Assistant Professor	(7,700)	8,000	(9,400)	9,800
Instructor & Research				
Associate	(5,800)	6,200	(7,100)	7,600
Assistant	(4,800)	5,000	(5,850)	6,100

Changes have also been made in a number of nonacademic pay ranges.

Increases for employees under collective bargaining and prevailingrate agreements are generally effective on dates other than July 1, and
therefore are not allocated to individuals in the budget. Funds have been
reserved for those groups for whom negotiations are still in process, and
for changes to be effective later in the year.

Staff Additions

The sum of \$4,657,635 is included for additional staff, most of which is related to increased enrollment. As shown in Schedule C, 271 full-time equivalent academic positions and 204 nonacademic positions are added. The increase in wage budgets approximates 120 full-time equivalent positions.
