

Profile of Students, Faculty, and Staff by Racial/Ethnic Group, Gender, and Disability

University of Illinois

Participation and Success

Fall 2014

University Office for Planning and Budgeting

For many years, University staff have reported to the Board of Trustees on the participation and success of underrepresented groups at the University of Illinois -- Black, Hispanic, American Indian, and multi-racial students and staff as well as female students and staff. That report was expanded to include data on the other racial/ethnic groups, to show data on students with disabilities, and to extend the time period displayed in the report. This report, a “Profile of Students, Faculty, and Staff by Racial/Ethnic Group, Gender, and Disability,” provides a comprehensive compilation of student enrollment and graduation, faculty participation of underrepresented students and staff.

This report was formerly titled:
Underrepresented Groups at the University of Illinois
Participation and Success

In this report, “minorities” refers to underrepresented minorities, which includes Black, Hispanic, American Indian, and beginning with Fall 2010 also includes Native Hawaiian/Other Pacific Islander, and multi-racial persons.

This report is available on the internet at <http://www.pb.uillinois.edu/dr/participreports/index.cfm> and through the University Office for Planning and Budgeting, 506 S. Wright, Urbana, Illinois 61801; phone: 217-333-8313.
