## State & Tuition Funds

Prepared by the University Office for Planning and Budgeting

The accompanying tables show University of Illinois Full Time Equivalent (FTE) employment by campus, college, and employee group, for state and tuition funds. The University of Illinois Extension and the University of Illinois Hospital and Health Sciences System are reported as separate campus-level entities. Counts in this report may differ from counts for similar time periods by the campuses' institutional research offices due to differences in the timing of payroll extracts and the definition of employee groups.

In interpreting this report, at least two cautions are warranted. First, the report is based on payroll data and is not a position-by-position control system. It does not facilitate the tracking of individual payroll actions (layoffs, rehires, terminations, etc.), or the tracking of new or vacant positions. Second, variations in FTE from year to year may be due to organizational changes or personnel transfers, such as the merger of two units, the addition of new units within a college, or the transfer of employees among college and campus units. This report makes no attempt to adjust or "normalize" the data for such changes.

The University centralized Human Resources and Information Technology units in February 2011. The Urbana campus implemented a Voluntary Separation Incentive Program as well as a Voluntary Retirement Program in FY 2010. Hundreds of employees took advantage of these programs, resulting in a significant drop in FTE at that campus.

Criteria used to prepare this report are given below. If there are questions about how these counts are structured, please contact the University Office for Planning and Budgeting at (217) 333-8313.

- Employees with appointments split across campuses, colleges or departments are counted by their FTE in those units.
- Only active appointments as of the date of the report are counted.
- Reports are created from the frozen HR/Pay tables as of the 10th of the month.
- Administrators with tenure-system appointments are counted as academic professionals.
- The FTE of department heads, department chairs, assistant and associate department heads/chairs are counted with Other Faculty.
- Librarians are counted as faculty.
- Most employees listed on the frozen HR/Pay tables with invalid campus/department combinations or invalid department codes are excluded.
- Illinois state surveys are excluded until July 1, 2008.
- Temporary and seasonal workers are excluded.
